

# INTERNATIONAL MEASUREMENT CONFEDERATION TC23 „Metrology in Food and Nutrition“

## 6<sup>th</sup> IMEKO FOODS

### 6<sup>th</sup> International Conference on Metrology in Food and Nutrition *„Food on global market - opportunities or threats“*

**November 8<sup>th</sup> – 11<sup>th</sup>, 2022, Dubrovnik, Croatia**

We would be delighted if you join us on the **6<sup>th</sup> IMEKO FOODS**, which will be held in **Croatia**, in **Dubrovnik**, one of the most prominent tourist destinations in the Mediterranean, a unique city on the UNESCO list of World Heritage Sites.

Known as the *Pearl of the Adriatic*, Dubrovnik lies in the extreme south of Croatia, basking in glorious Mediterranean sunshine for much of the year. A fairytale fortress of beautiful Baroque, Gothic and Renaissance churches, aristocratic palaces, red-roofed townhouses, and fascinating history, it is almost impossible to feel anything but uplifted and inspired here.

All scientists, PhD students, health professionals, food inspection and control agencies laboratories for food control and industry are welcome to discuss and present their findings on metrology and nutrition.

All information about 6<sup>th</sup> IMEKO FOODS will be available on the conference website
